Unit 11 Lesson 4

## Focus Verse

“Thus the Lord saved Israel that day out of the hand of the Egyptians; and Israel saw the Egyptians dead upon the sea shore.” – Exodus 14:30

## Closer Look

The Israelites were continuing their journey away from Egypt. God spoke to Moses and told him to turn the people back and camp near Pi-hahiroth, and the Israelites did so. Meanwhile, Pharaoh and his officials changed their minds about letting the Israelites go and started to chase after the Israelites with their army and chariots. The Israelites became scared. Moses encouraged them to be brave because the Lord would fight for them. The Israelites reached a huge body of water called the Red Sea, but they could not cross because they did not have any boats. As they were trying to figure out what to do, they suddenly saw the Egyptian army coming after them. But then, God told Moses, their leader, to stretch out his hand over the sea. When he did, the waters of the sea parted, making a dry path right through the middle! So, the Israelites crossed safely the sea, but when the Egyptian army tried to follow them, the sea came back together, covering them and their chariots. The Israelites were safe, and they praised God for saving them from their enemies and making a way for them.
