## Focus Verse

“And the Lord came down upon mount Sinai, on the top of the mount.” – Exodus 19:20

## Bible Story

The Israelites traveled for three months after leaving Egypt and reached the desert near Mount Sinai. God told Moses to climb the mountain, where He reminded Moses of how He had saved the Israelites and cared for them. God wanted to make a special agreement with them: if they obeyed Him, they would be His treasured people, a holy nation. The Israelites agreed, and Moses told God their answer. God then instructed Moses to prepare the people, telling them to wash their clothes and be ready by the third day. On that day, God would come down to the mountain in a thick cloud. The mountain was holy, so no one could touch it.

On the third day, there was thunder, lightning, a thick cloud, and a loud trumpet sound. The people were scared as Moses led them to meet God. The mountain shook as God descended in fire. God called Moses up again to warn the people not to come too close, and Moses did as commanded. This story teaches us that God is holy, and we must be respectful and obedient when we approach Him
