Closer Look

What will I wear? Will I do well in my reading? Will I make new friends? School can bring a lot of worrying for kids. Worrying is when we constantly think about things we need or things we are anxious about. In this scripture, Jesus tells us not to worry. When we worry, we are not trusting in God. Worrying will not do anything good for us. It will only take away time that we can use to serve God and grow closer to Him.

Think about the flowers and birds outside. God takes care of them. He gives them enough sunlight, water, and food for them to live and grow. God takes care of all the things He created, including (and, especially) you! We are all God's most precious treasures, and He knows what we need before we ask. Instead of worrying about things, God wants us to seek His kingdom. We can do this by learning more about His Word, obeying it, and trusting in Him daily. At whatever time you find yourself worrying about something, you can pray to God and ask Him to calm your mind and fill you with His peace. Why worry?
